

## **Brian Johnson**

### **1951-2021**

It is with regret that I must inform every one of the sad passing of Wimborne Orienteers member Brian Johnson.

Brian was an active member of the club and was in the Lake District, combining his loves of orienteering and walking, when he passed away.

I saw Brian at a local Lake District evening event on Wed 2<sup>nd</sup> June at Newton Fell. We chatted after our runs about the forthcoming British Middle-Distance Championships and he was really looking forward to the competition at the weekend.

Unfortunately, that was the last time we saw Brian.

We will post more details about Brian's life along with any funeral arrangements in due course.

Andrew French  
Chairman  
Wimborne Orienteers
