

# Stour Meadows

North

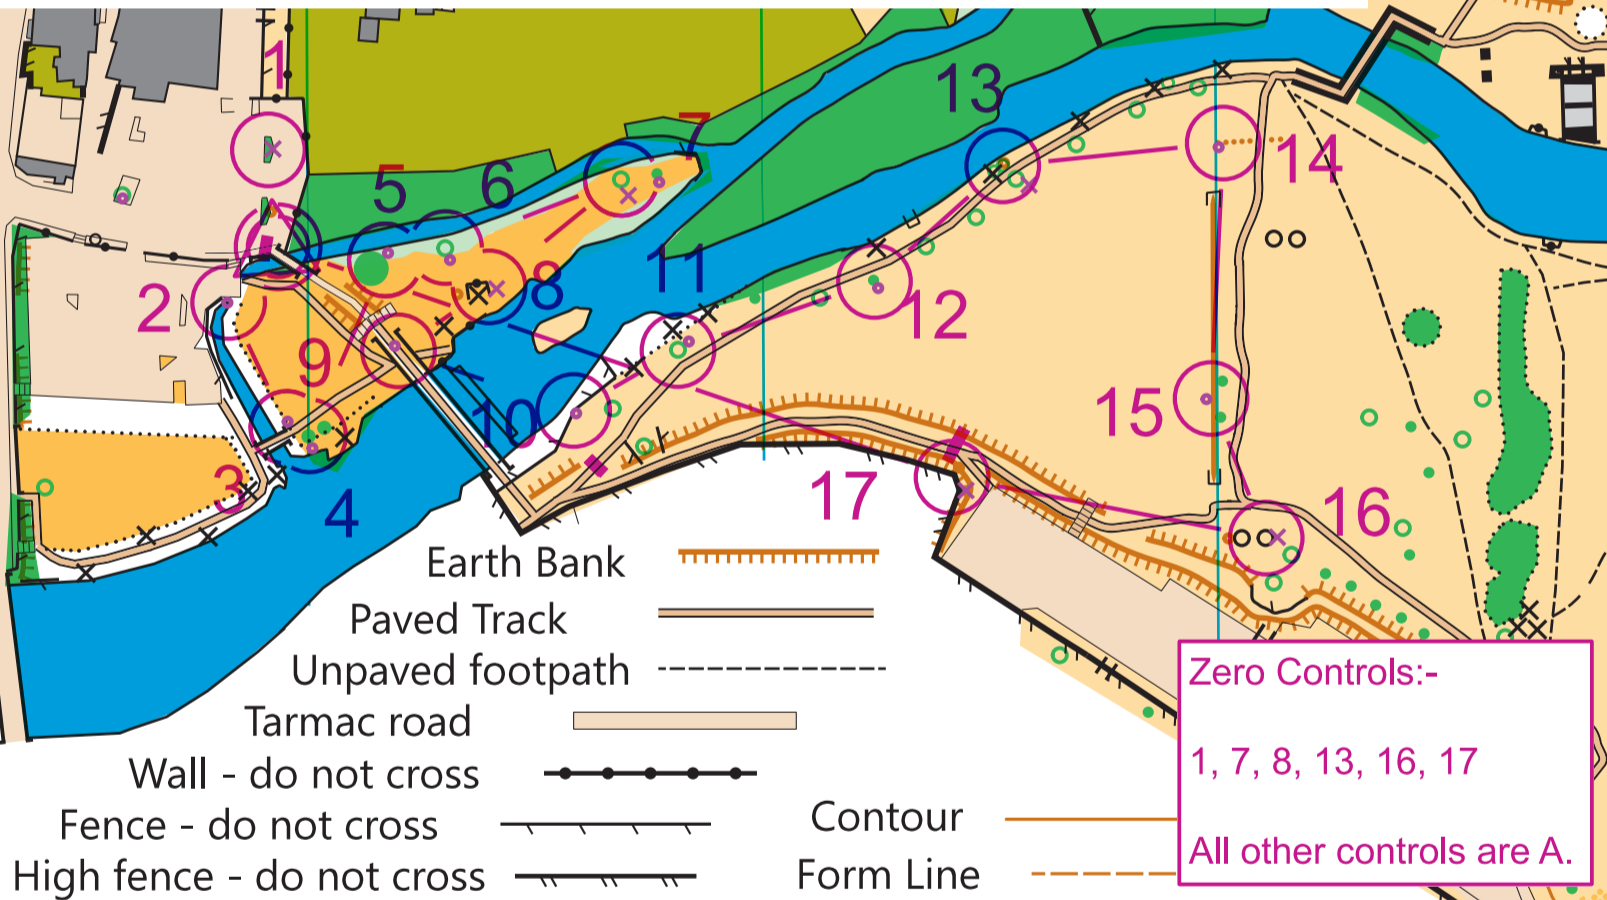

The map is 1:2,500. Maximum time allowed is 25 minutes. 1 point penalty for every part of 2 minutes late.

Stay on the path over the bridge and do not go beyond the three red bars shown on the map. You can answer the controls in any order.

If the answer to a task is Zero, there is no flag closer to the correct spot than 4m, unless it is on a different, mapped, point feature.
