

## West Moors Summer 2024 MapRun v2 PXAS ScoreN60

### July 2024 MapRun event

Please note that this is v2 – v1 has been deleted

In West Moors Forest there is a section in the middle that has been marked 'out of bounds' for safety reasons as it involved swimming through a rather nasty bog area – a result of the very wet year we have had so far – hence why v1 was deleted and v2 now being used. If you intend to 'go direct' in the Forest which is a viable option, make sure you have full arm and leg cover. Otherwise shorts, vest and trainers ideal. Don't forget to check for 'ticks' after

There is a main road on the west side of the map running north-south which can be very busy at peak times and another, not so busy, on the south edge going west-east – so take care crossing these roads – otherwise everything should be very quiet.

Parking is opposite 73 Glenwood Road, West Moors, BH22 0EW

Parking is on the grass verge (used before for events) just south of the start/finish

Map scale is just over 1:5000 30 controls with usual point scores & 2 map choices – A3 or 2 parts of A4 – west and east that overlap in middle

Enjoy yourselves
